If you are eligible for Tax Exempt status and are being charged Sales Tax with your order, you can apply online to get set up in the ICC database for your approved tax exemption. You will need two things to complete this process: 1) your record needs to be linked to your organization's record in our database -- if you're seeing member prices due to your employer's membership, that's a sure sign this link has been made, and 2) you will need a scanned copy of your Tax ID certificate. Once you have those, please click [here](#) to fill out the Tax Exemption Form.

If you are unable to scan your tax exemption certificate, please fax it to (800) 214-7167 or (708) 799-4981 with your ICC Membership number. Please allow 2-3 business days to be posted to your account. For assistance, please e-mail members@iccsafe.org.
