**Subject:** hEN platform change requests

Hi Eoin,

We've made those amends:

### Homepage

- Removed the document search from the hero section
- Removed the "Browse documents" button below featured documents

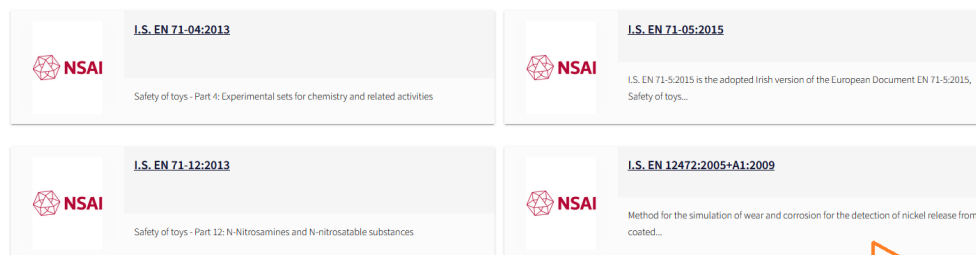

### Portal for read-only access to national adoptions of specific harmonized European standards for European public access.

The purpose of this portal is to make the content of specific harmonized European standards (national adoption) available for European public access. The present access to the standards is granted under applicable legal frameworks. Please note that these frameworks can change and may impact your access.
