Sub.: Removal of all Codes & Standards of Indian Roads Congress from your website

Sir,

The Indian Roads Congress (IRC) is the Apex Body of Highway Engineers in the country, working in close collaboration with the Ministry of Road Transport & Highways, Govt of India, New Delhi. The Director General (Road Development) & Special Secretary to the Govt of India is the Honorary Treasurer of this Organization.

IRC is mandated to bring out Codes, Specifications and Manuals relating to Roads & Bridges. We have till now brought out about 417 publications in different subjects. All these publications are priced publications and required by the engineering fraternity.

It is noticed that in your website <https://law.resource.org/>, our Codes and Standards are available for free to download by anybody.

It has been brought to our notice that a number of our precious priced publications are uploaded on your website without any authorization and the same is against Copyright Act 1957.

Therefore, you are requested to remove all the Codes & Standards of Indian Roads Congress, e.g. <https://law.resource.org/pub/in/bis/manifest.irc.html> failing which legal action would be taken against you under the Copyright Act, 1957 (as amended by the Copyright Amendment Act 2012).

Yours faithfully,

(D. Sam Singh)

Deputy Secretary (Admin)
