Dear Ms. Eggleston:

This is a request under the Freedom of Information Act, 5 U.S.C. § 552. I am trying to
determine how much money the Citizen and Immigration Services is spending on
access to federal court documents and other primary legal materials. Specifically, I am
requesting copies of:

- Any memoranda or budgetary documents that detail the total amount actually
  spent or the amount budgeted to be spent by the Citizen and Immigration
  Services to access the PACER system run by the Administrative Office of the
  Courts. I am interested in how much was spent or was budgeted to be spent in
  the period from 2000 to the present, as well as budget items for future fiscal
  periods.

- Any agreements, contracts, or memoranda of understanding between the
  Citizen and Immigration Services and the Administrative Office of the Courts
  governing access to the PACER system by Citizen and Immigration Services staff.

- Any memoranda or other documents from Citizen and Immigration Services
  management to Citizen and Immigration Services lawyers asking them to curtail,
  limit, or otherwise ration their use of the PACER system due to cost
  considerations.

- Any contracts, memoranda, or budgetary materials detailing the specific
  agreements and amount of money spent by the Citizen and Immigration
  Services with commercial legal information providers such as Thomson WestLaw
  or the ReedElsevier LexisNexis service. While I understand such commercial
  legal information providers have more than just federal data, documents
  pertaining to the amount spent or budgeted, contracts, and memoranda relating
to curtailing use because of cost are all relevant to this inquiry.

Request for News Media Fee Status

Public.Resource.Org asks that we not be charged search or review fees for this request
because we qualify as a “representative of the news media” pursuant to the FOIA and
28 C.F.R. § 16.11(b)(6).
Public.Resource.Org, Inc. is a 501(c)(3) public charity chartered to create public works projects on the Internet with a particular focus on making government information more broadly available without fee to any and all users. Public.Resource.Org has been certified as a “news media” requester for the purposes of obtaining and publishing high-resolution video from the United States Congress Recording Studio and we are engaged in a Joint Venture with the National Technical Information Service (“NTIS”) under Agreement No. NTIS-1832 to assist in more broadly disseminating materials from NTIS onto the Internet. Documents from this current FOIA request will be promptly published, joining over 32.4 million pages of U.S. government documents we have made available on the Internet.

Due to our extensive publication activities, Public.Resource.Org is a “representative of the news media” under the FOIA and agency regulations. As such, this request is subject only to duplication fees after the first 100 pages. However, all duplication fees should be waived, as discussed below, because disclosure of the information requested above is in the public interest.

**Request for a Public Interest Fee Waiver**

Public.Resource.Org is entitled to a waiver of duplication fees because disclosure of the requested information is in the public interest within the meaning of 5 U.S.C. § 552(a)(4)(a)(iii) and 28 C.F.R. § 16.11(k). To determine whether a request meets this standard, agencies determine whether “[d]isclosure of the requested information is likely to contribute significantly to public understanding of the operations or activities of the government,” and whether such disclosure “is not primarily in the commercial interest of the requester.” 28 C.F.R. §§ 16.11(k)(i), (ii). This request clearly satisfies these criteria.

Civilian and Immigration Services, this request concerns “the operations or activities of the government.” 28 C.F.R. § 16.11(k)(2)(i). The agency’s access to legal research materials produced by the government constitutes government operations or activities.

Second, disclosure of the requested information will “contribute to an understanding of government operations or activities.” 28 C.F.R. § 16.11(k)(2)(ii) (internal quotation marks omitted). Public.Resource.Org has requested information that will publicly reveal the nature and contents of the access to primary legal materials.

Third, the requested material will “contribute to public understanding” of limitations of access to legal materials. 28 C.F.R. § 16.11(k)(2)(iii) (internal quotation marks omitted). This information will contribute not only to Public.Resource.Org’s understanding of access to primary legal materials by government lawyers, but to the understanding of a broad audience of persons interested in the subject, since Public.Resource.Org will make the records available to the public at no cost.

Fourth, the disclosure will “contribute significantly” to the public’s knowledge and understanding of how much government spends to access public domain materials. 28 C.F.R. § 16.11(k)(2)(iv) (internal quotation marks omitted). Disclosure of the requested information will permit the public to access the requested records for free.

Furthermore, a fee waiver is appropriate here because Public.Resource.Org has no commercial interest in the disclosure of the requested records. 28 C.F.R. § 16.11(k)(3). Public.Resource.Org is a 501(c)(3) nonprofit organizations and will derive no commercial benefit from the information at issue here.
Thank you for your consideration of this request. If you have any questions or concerns, please do not hesitate to contact me at (707) 827-7290. As the FOIA provides, I will anticipate a determination on this request from your office within 20 working days.

Respectfully yours,
