

CONVERSE v. COIT.

Case No. 3,145,

[This case does not appear to have been reported, but in a note to Tutt v. Ide, Case No. 14,275b, Mr. Justice Nelson, then of the United States supreme court, is stated as having said, on denying a motion by defendant for a new trial, that Converse v. Coit was decided by him in a case in the state court,—referring to the New York supreme court.]
