

Case No. 3,718.

DE BUTTS v. McCULLOCH.

[1 Cranch, C. C. 286.]¹

Circuit Court, District of Columbia.

March Term, 1806.

DEPOSITIONS—NOTICE OF TAKING.

It is not necessary that the notice of taking a deposition under the act of congress should state the reason for taking it.

E. J. Lee objected to the deposition of Joseph Grant, taken under the act of congress, that the notice did not state the reason of taking it.

THE COURT overruled the objection to the deposition, and suffered it to be read.
