

MOCH AND ANOTHER v. VIRGINIA FIRE &  
MARINE INS. CO.

*Circuit Court, E. D. Virginia.*                      March 18, 1882.

BOND, C. J. This cause having been heard in the circuit court, then presided over by the district judge, has been submitted to me, with his consent, as if on motion for a new trial. I have carefully read the elaborate briefs of the parties, and fully concur in the opinion and judgment of the district judge.
