Publications Permissions

The 2014 edition of the *Standards for Educational and Psychological Testing* is now on sale. The *Testing Standards* are a product of the American Educational Research Association, the American Psychological Association (APA), and the National Council on Measurement in Education (NCME). Published collaboratively by the three organizations since 1966, it represents the gold standard in guidance on testing in the United States and in many other countries. [Read more](#)

An e-version of the Testing Standards is now available. Please see below the pricing options for purchasing an e-book (in e-Pub or e-PDF formats), or a bundle that includes a print volume and a free e-book download.
