4. PERFORMANCE DETAILS

Grant of License for CEC:

A. **By NFPA.** Subject to the limitations of section 1 below, NFPA hereby grants CBSC a non-exclusive, non-transferable sublicense to use and copy all or any portion of the 2014 NEC, NFPA supplements and revisions to the 2014 NEC (hereinafter referred to as “Licensed Property”), solely to create and publish the 2016 CEC, as well as the 2016 CEC supplements, errata and emergency supplements (hereinafter referred to collectively as the “Code”). The grant of the foregoing sublicense is limited to the rights:

1. Publish, print, reprint and distribute all or any pages of the Licensed Property that have been modified by CBSC upon the following terms and conditions: In the event that NFPA breaches its obligations or terminates this Agreement, or otherwise discontinues to publish or fails to make available for sale the Code, then CBSC may cease to print and publish all or any pages of the Code that have been modified by CBSC for its use and for sale to the public until publishing thereof is recommenced by NFPA or until one hundred and eighty days (180) after publication of the next edition of the NEC, whichever occurs first, without compensating NFPA. If at any time prior to the discontinuation of publication by NFPA the Code becomes temporarily out of print or unavailable so that copies thereof cannot be furnished within thirty (30) days after they are requested for purchase by any person or entity, CBSC may without being in violation of the non-transferable license provision hereof, cause to print and publish any of the unavailable documents for its own use and for sale to the public in quantities to meet immediate demand, until NFPA recommences.
furnishing copies or until one hundred and eighty (180) days after publication of
the next edition of the CEC, whichever occurs first, without compensating
NFPA.

2. Make such changes to the Licensed Property as CBSC determines are
required for the Code.

3. Affix copyright and trademark notices to the Code as directed by CBSC and
required by NFPA.

4. Post all supplements which may contain material copyrighted by NFPA on the
NFPA website in "read-only" format.

B. **By CBSC.** CBSC hereby grants to NFPA an exclusive, worldwide license to copy,
print, publish, distribute and sell the Code and all Code Supplements in accordance
with the terms of this Agreement.

5. **SERVICE DETAILS**

A. **Technical Services.** Immediately after the execution of this Agreement, NFPA shall
commence the following services:

State of California, local governmental agencies, and to the general public,
copies of the Code in a loose-leaf format. The Code shall be printed and
published in a fully integrated format that incorporates, into a fully merged,
contiguous and pre-assembled document, all portions of the 2014 NEC approved
and codified by the CBSC, those portions of the 2014 NEC that have been
modified by the CBSC, and all California amendments.

2. NFPA shall print and publish all 2016 CEC Supplements on a regular basis so
that all customers have available an accurate and up-to-date Code, provided,
however, that NFPA shall not be required to print, publish and distribute special
supplements for minor or inconsequential errors or changes. Special
supplements for minor or inconsequential errors and/or changes shall be posted
on NFPA website and shall be provided to CBSC for posting on CBSC's website
in a "read-only" format.

3. NFPA has provided CBSC with three (3) copies of the final text corresponding to
the printed version of the 2013 Code, and three (3) copies of all 2013
supplements, supplements in response to emergency regulations, and all related
errata sheets, in an electronic version in electronic format that allows editing of
text solely for code development purposes.
6. WORK DETAILS

A. NFPA shall, in accordance with the specific formatting requirements and editorial and publication timetable set forth herein, print, publish and make available for sale to the State of California, local governmental agencies, and to the general public on or before July 1, 2016 or at a later date as set by CBSC, copies of the 2016 CEC in a loose-leaf format wherein all portions of the Licensed Property that have been approved and codified by CBSC, including those portions of the Licensed Property that have been modified by CBSC, as well as California amendments thereto, are fully merged and integrated into a contiguous and pre-assembled form and not provided as separate sheets. To meet the July 1, 2016 publication date, CBSC must deliver to NFPA the proofed and approved final text on or before May 15, 2016. In the event CBSC fails to deliver to NFPA the proofed and approved final text on or before May 15, 2016, NFPA shall be provided with a period of 45 days from receipt of delivery of said final text from CBSC in which to print, publish and make available for sale the Code.

B. All those portions of the Licensed Property, be it chapters, sections, provisions, tables, appendices, references, etc., which CBSC or any authorized agency does not adopt as a part of Title 24 shall be shown with a strike through the language in the code. NFPA will show non-adopted language in legislative (strike thru) text and will note as not adopted by the State on each page.

C. All Errata and/or Supplements to the 2014 Licensed Property as originally adopted by CBSC as the Code which are thereafter generated by NFPA shall not be printed in the Code unless expressly approved by the CBSC.

D. CBSC shall submit to NFPA and/or Authorized Agent and Licensee its modifications to the 2014 Licensed Property. Within a reasonable time after the receipt thereof from CBSC, NFPA and/or Authorized Agent and Licensee shall furnish to CBSC a copy of the initial draft of the Code for review by CBSC.

E. WITHIN a reasonable time after receipt of the initial draft of the 2016 CEC from NFPA and/or Authorized Agent and Licensee, CBSC shall submit its revisions to the initial draft to NFPA and/or Authorized Agent and Licensee. Within a reasonable time after receipt of CBSC’s revisions to the initial draft, NFPA and/or Authorized Agent and Licensee shall make any further modifications and submit to CBSC a second draft.

F. WITHIN a reasonable time after receipt of the second draft of the Code from NFPA and/or Authorized Agent and Licensee, CBSC shall submit its revisions to the second draft to NFPA and/or Authorized Agent and Licensee. Within a reasonable time after receipt of CBSC’s revisions to the second draft, NFPA and/or Authorized Agent and Licensee shall make any further modifications and submit to CBSC a final draft.

G. NFPA and/or Authorized Agent and Licensee shall thereafter publish and make available for sale to the State of California, and to the general public, copies of the
Code. If CBSC promptly delivers to NFPA and/or Authorized Agent and Licensees the submissions from CBSC as set forth in paragraphs above, NFPA shall ensure that the Code is available for sale within thirty-five (35) days of receipt from CBSC of fully proofed and approved final text in either electronic format or camera ready copy.

H. Time is of the essence:
1. Because the Code may have significant effects on the safety of the State's built environment and its citizens, time is of the essence in performing the herein duties.
2. The July 1, 2016, date to publish the Code is of critical importance. Publication is defined as the documents being printed and available for delivery.
3. CBSC and NFPA shall commit staff and resources to expedite their diligent work and cooperate toward the within Publication schedules and goals.
4. Due to the variations of their size and complexity, it is impossible to herein establish schedules for Publication of any Supplements or Errata. Therefore, when CBSC submits any Supplements or Errata to NFPA, a Publication Schedule of milestone dates, including a Publication and Effective date, shall be mutually determined. That Publication Schedule, due to possible coordination with other contractors, is of critical importance. NFPA shall notify CBSC within 15 calendar days following creation of the Publication Schedule if they, for valid reason(s) given, cannot meet the Schedule and include a proposed Schedule which they can meet. CBSC must concur in the acceptance of any new Schedule. Without such notification, or concurrence with a new Publication Schedule, CBSC shall expect NFPA and/or Authorized Agent and Licensee to abide by the proposed Schedule.
5. Neither NFPA nor CBSC shall be held liable or responsible for any times or dates set out in this publication agreement if such failure to meet that time or date comes about as a result of any strike, unauthorized work stoppage, civil unrest, legal requirement or impediment, storm, fire, flood or other act of God for which NFPA or CBSC is not otherwise responsible.

I. Formatting, layout and other requirements not contained herein for publication of the Code will be set forth and/or confirmed in subsequent correspondence between the Parties. Said formatting, layout and other requirements include, but are not limited to, the following:
