	1
1 A. The the the concerns that that	1 How do ASHRAE's standards function as
2 that ASHRAE has is to be able to maintain control	2 working tools for persons who are part of the
3 over its its document for how it's it's used	3 engineering community?
4 and distributed in the market in accordance with	4 A. ASHRAE's stan they they provide a
5 its with its terms.	5 well, many of the standards are method of test, so
6 Whether there's a specific harm that's been	6 they provide methods of testing equipment so that
7 seen from PR from the case at hand, I can't speak	7 equipment can be measured can be compared with
8 to that. But in in principle, the the	8 similar levels of performance.
9 organization sees harm if if it if its	9 Our some of the standards set
10 documents are not able to be maintained.	10 definitions of refrigerants and classify those
11 Q. And apart from that, has ASHRAE detected	11 refrigerants in terms of their flammability, in terms
12 any harms, financially or otherwise, to itself	12 of their toxicity, different characteristics.
13 arising from any acts, omissions, or operations of	13 And then you have a third type of standard,
14 Public Resource?	14 which is a design standard, which actually provides
15 A. I I've got no evidence. I have not seen	15 guidance that says, "You shall have a your design
16 cases of that.	16 shall do this in these circumstances."
17 Q. Again, this overlaps a little bit with some	17 Q. And as you just mentioned, does that
18 earlier questions.	18 guidance take the form of specific requirements that
19 What what are all the factors that you	19 are specified in the standard?
20 understand ASHRAE considered in deciding to provide	20 A. It says "shall."
21 free viewing to ASHRAE's standards?	21 Q. So that answer's yes?
22 A. I was the one who actually launched that	22 A. Yes.
23 effort, and it was so much of what we do is a	<ul><li>22 A. Tes.</li><li>23 Q. Were there any other factors involved in</li></ul>
	-
24 balance between trying to assist our members, trying	24 the decision to provide free viewing of ASHRAE's
25 to help provide a better explanation of the Page 94	25 standards? Page 96
1 technology, and allowing our our business model	1 A. No. Those three factors were the that
2 to to be supported. So it was a combination	2 was the the the thrust of our initiative.
	3 Q. Are there any protocols or procedures at
3 of those things.	4 ASHRAE governing the granting of licenses or
4 Number one was to in in theory, when	5 permission requests to anyone outside the
5 we first decided to move in that direction, it was so	
6 that our members could see a document and be able to	6 organization? And you can limit your answer to
7 determine if they wished to buy it or not. So they	7 standards.
8 had some familiarity that, yes, this is a document	8 A. Typically, the factors that would be
9 that would be worthwhile for us to have, and then	9 considered would be amount of content that's to be
10 then to be able to build into that that notion that	10 used. Typically, we would want it to be less than
11 then it's going to lead to a sale.	11 33 percent of a standard. That's not a hard and fast
12 And then there are our mission statement	12 rule, but that's a general guideline that my
13 means that we are to advance technology, so then the	13 assistant has.
14 third element would be to make it available to other	14 We would look at what the use is. If it's
15 people who would have an interest in in looking at	15 a classroom use, that's one thing; if it's posting it
16 the standard, but but would not be an engineer or	16 on the Internet, that's another thing; if it's a
17 part of the engineering community, so wouldn't need	17 company brochure, that's another thing. So it's
18 the technical depth of the the document as a	18 it's it's how the distribution will be done and
19 working tool.	19 and who is doing it, for example, a company, as
20 So it's those three factors that went into	20 opposed to an educator.
21 our decision to create the the free viewing,	Then there would also be the you know,
22 which, again, I'm I can't recall the exact year,	22 our expectation that the the the that there
23 but it's it's 15 years ago, maybe even a little	23 be a citation so that the doc the document is
24 bit longer than that.	24 sourced. And in that particular case, it would be
25 Q. How do the standards func strike that.	25 reprinted as it is unless it's specified that it
