Comment

Hello:

I have lost my vision over the last seventeen years due to glaucoma and cornea edema. I am 51 yrs old and have learned to use the computer and other adaptive equipment. However, much still needs to be in order for all documents and communications to be made accessible to me as a blind person.

So, please The Clock is Ticking:
Get the 508 and 255 Rules Out ASAP!

Thank you

Anne E. Radetic Murphy
Maryland Heights, MO
