Joseph D. Bowles, Schottenstein Stores
Jennifer Hargrave, ACTS Testing Labs
Yves Portin, Health Canada
Robin Lanier, IMRA
Meg Farrage, IMRA
Julius Hyman, Julius Hyman & Associates

SUMMARY OF MEETING:

The purpose of the meeting was to review some of the comments received from negative voters, in response to a 7/19/76 ballot. Following a detailed discussion with the negative voters, it was decided that the original ballot (sent by letter ballot to the subcommittee) that found the negatives non-persuasive was to stand and the document would proceed with minor editorial changes to the ASTM Committee on Standards.
