Maureen,

You may already be aware of this, but it appears that another copyright infringement suit has been filed in the DDC against Public.Resource.org. The article that drew my attention to it is here: <http://www.techdirt.com/articles/20140526/17193727368/publicresourceorg-sued-again-publication-document-incorporated-into-federal-regulations.shtml>.

Best,
