Scott,

No problem at all. Thanks for getting back to me. Friday morning would be great. I'm available any time until 11:30 am. Just let me know when is convenient for you, and perhaps I can come by your office then?

Thanks so much!  
Emily

Dear Emily,

Please forgive my belated response to your request to continue our conversation on your Incorporation by Reference project. I am still in the process of gathering information within ANSI on the issue. Perhaps we could talk in the morning this Friday?

Best  
Scott

Mr. Cooper,

It was very nice to meet you last week when you visited ACUS. I hope you had an enjoyable holiday!

Might you be available sometime next week to get together and discuss the IBR issues a bit more? I'm very interested to learn more about voluntary consensus standard developers, how they operate, how their standards are used, and how they are made accessible to interested parties. This context will help me immensely in drafting my report.

I would be happy to come to your offices a time convenient for you. I have meetings from 2-4 pm on both Tuesday and Thursday, but my schedule is otherwise flexible. And if you have suggestions of materials I should read or colleagues I should speak with, I would be very appreciative.

Thank you for your time and assistance with this project!

Best,

Emily Schleicher Bremer | Attorney Advisor
