Cicely,

We too are looking forward to some warmer weather . . . it's been much colder than usual here this year. Nothing compared to Boston, though, of course!

Thank you so much for the prompt reply and permission. I'll share the PDF with him.

Best,
Emily

Emily,

Nice to hear from you — hope all is well with you. We're looking forward to some warmer weather here!

Please feel free to share the PDF with your colleague to distribute at the meeting; I have checked with my editor to be sure and you can simply proceed with it.

Best, Cicely

Subject: Standardization News interview

Cicely,

I hope this email finds you well. I'm writing in regards to the written interview I did for the Nov./Dec. 2012 issue of *Standardization News*. George Huff, who works for the Administrative Office of the US Courts and is active in various standardization activities through the ANSI-ASQ Accreditation Board and ISO, is organizing a conference on federal

facilities continuity here in DC next month. He would like to provide hard copies of the *Standardization News* article at this meeting. May I share the PDF version with him for that purpose? If there's an appropriate channel for securing approval for this, please let know. Any guidance would be much appreciated.

Thank you so much!

Best,

Emily S. Bremer | Attorney Advisor
