Scott,

Wonderful, thank you!!

Also, wow. The more I learn about private standards, the more fascinating I find them!

Best,  
Emily

Emily,

To the best of our knowledge:

n In the U.S. alone, there are more than 100,000 standards

n These documents are being developed by:

- standards developing organizations (SDOs)
- over 500 consortia
- thousands of committees

n Over 10,000 approved American National Standards

Best

Scott
