Dear Stacey:

I am writing to express my sincere gratitude for your excellent and detailed work on the policy brief regarding public access and application of the government edicts doctrine in Colorado. This draft is under review by my team and is very useful in helping shape our analysis of this issue.

I know how difficult it is to find the time for large projects such as these while a student in law school, making your good work here all the more impressive.

I wish you the best in your future endeavors.

Sincerely,

Phil Weiser
Attorney General
