17. Contractors' National Labor Relations Board Certification. Except where specifically stated in this Agreement to be otherwise, the duties, obligations, and liabilities of the Parties are intended to be several and not joint or collective. Nothing contained in this Agreement shall be construed to create an association, trust, partnership, or joint venture or impose a trust or partnership duty, obligation, or liability on or with regard to either Party. Each party shall be individually and severally liable for its own obligations under this Agreement.

19.2 No provision of this Agreement may be waived, changed or modified orally, but such may be accomplished only by a written Amendment to this Agreement and signed by both Parties.

22. Entire Agreement. This Agreement constitutes, and is intended to constitute, the complete and entire agreement between the Parties with respect to the subject matter hereof and expressly supersedes any and all prior oral or written negotiations or agreements between the Parties hereto with respect to the subject matter hereof. In the event that a conflict exists between the terms of this Agreement and the terms of any other agreement between the Parties, the terms of this Agreement shall govern and control.

23. Severability. If any provision of this Agreement is found or deemed by a court of competent jurisdiction to be invalid or unenforceable, it shall be considered severable from the remainder of this Agreement and shall not cause the remainder to be invalid or unenforceable. In such event, the Parties shall reform this Agreement to replace such stricken provision with a valid and enforceable provision which comes as close as possible to expressing the intent of the stricken provision.

24. Continuing Obligations. Any rights and obligations under this Agreement that by their nature extend beyond the term of this Agreement, including but not limited to the obligation to maintain confidentiality of proprietary information, shall survive any expiration or termination of this Agreement. Provided, further, that CBSC may use any of the ICC copyrighted codes and/or the Code for the purposes set forth in this Paragraph 24 pursuant to future contracts or agreements between the Parties. Nothing contained in this paragraph shall constitute a waiver of rights by either Party.

25. Waiver. Any waiver at any time by either Party of its rights with respect to a default under this Agreement, or with respect to any other matters arising in connection with this Agreement, shall not be deemed a waiver with respect to any subsequent default or other matter.

26. Non-Frustration. Neither Party to this Agreement shall commit any act or take any action which frustrates or hampers the rights of the other Party under this Agreement. Each Party shall act in good faith and engage in fair dealing when taking any action under or related to this Agreement.

27. Applicable Law. This Agreement shall be interpreted in accordance with the laws of the State of California, and any action arising out of this Agreement shall be brought in the Superior Court of the State of California in and for the County of Sacramento and/or the United States District Court for the Eastern District of California. Each Party hereto consents to the use of such forum and agrees not to challenge such forum on the basis of inconvenience, lack of personal jurisdiction, or any other basis whatsoever.

28. Headings. The headings used in this Agreement are for reference purposes only, and shall not be deemed a part of this Agreement, or used in the construction or interpretation of any portion hereof.

29. Construction. In the case of uncertainty regarding the language in any part of this Agreement, the language shall be construed in accordance with its fair meaning rather than being interpreted against the Party who caused the uncertainty to exist.

30. Third party Beneficiaries. No person or legal entity not a party to this Agreement is intended to benefit by any of its provisions.

31. Judgments and Determinations. When the terms of this Agreement provide that action may or must be taken or that the existence of a condition may be established based on a judgment or determination of a Party, such judgment shall be exercised or such determination shall be made in good faith, in a timely manner, and shall not be arbitrary or capricious.

32. Attachments. Attachments A through I attached hereto are, by this reference, made a part of this Agreement as if herein written.

33. Amendments. The within Agreement may be amended in writing only and such an amendment must be fully executed by both Parties hereto before they become effective. Oral agreements are herein declared to be not valid and not enforceable.

34. Signatures. The Parties, having carefully read this Agreement and having consulted or have been given an opportunity to consult counsel of their choice, have indicated their agreement to all of the above terms by executing this Agreement on the date first written above. Each signatory hereto represents that it is authorized to sign this Agreement on behalf of the Party it purports to represent.

Selective depositories receive one copy of each printed publication distributed by the Office of State Printing. They also receive publications distributed directly by issuing agencies. Special subsets of the Selective Depository Libraries are the Law Libraries. They receive one copy of each printed publication from OSP and a single copy from issuing agencies. Law library depositories differ in having special document retention requirements pursuant to section 14909 of the California Government Code. Law Libraries are indicated in this list by the term “Law” before their entry.

Preface

This document is Part 2 of the official triennial compilation and publication of the adoptions, amendments and repeal of administrative regulations to *California Code of Regulations, Title 24*, also referred to as the *California Building Standards Code*. This Part is known as the *California Building Code* and incorporates, by adoption, the 2006 edition of the *International Building Code* of the *International Code Council* with the California amendments.

The *California Building Standards Code* is published in its entirety every three years by order of the California legislature, with supplements published in intervening years. The California legislature delegated authority to various State agencies, boards, commissions and departments to create building regulations to implement the State's statutes. These building regulations or standards, have the same force of law, and take effect 180 days after their publication unless otherwise stipulated. *The California Building Standards Code* applies to occupancies in the State of California as annotated.

A city, county or city and county may establish more restrictive building standards reasonably necessary because of local climatic, geological or topographical conditions. Findings of the local condition(s) and the adopted local building standard(s) must be filed with the California Building Standards Commission to become effective and may not be effective sooner than the effective date of this edition of *California Building Standards Code*. Local building standards that were adopted and applicable to previous editions of the *California Building Standards Code* do not apply to this edition without appropriate adoption and the required filing.

To familiarize yourself with the format of this code, it is suggested that users review the following contents:

How to Distinguish Between Model Code Language and California Amendments

To distinguish between model code language and the incorporated California amendments, including exclusive California standards, California amendments will appear in italics.

Due to the nature of the California Building Code's first time use of the International Building Code as the base document, symbols in the margins, previously used to indicate code changes, will not be used in this edition of the California Building Code.

("BSC") This symbol within a section identifies which State agency(s), by its "acronym", has amended a section of the model code. For a complete listing of the State agency acronyms, see the Application Section within Chapter 1.
