- A.1 ICC shall, in accordance with the specific formatting requirements and editorial and publication timetable set forth herein, print, publish and make available for sale to the State of California, local governmental agencies, and to the general public on or before February 1, 2009 or at a later date as set by the CBSC, copies of the 2007 California Green Building Code (CGBC) in a Softcover format wherein all portions of the Code that have been approved and codified by the CBSC, including those portions of the Code that have been modified by the CBSC, as well as California amendments thereto, are fully merged and integrated into a contiguous and pre-assembled form and not provided as separate sheets. To meet the February 1, 2009 publication date, CBSC must deliver to ICC the proofed and approved final text on or before November 15, 2008. In the event CBSC fails to deliver to ICC the proofed and approved final text on or before November 15, 2008, ICC shall be provided with a period of 35 days from receipt of delivery of said final text from CBSC in which to print, publish and make available for sale the 2009 CGBC.
- A.2 All Errata and/or Supplements to the 2007 CGBC as originally adopted by the CBSC as the 2007 CGBC which are thereafter generated by the ICC shall not be printed in the SBC unless expressly approved by the CBSC. However, no Errata or Supplements are anticipated by CBSC. CBSC will make available all Errata and/or Supplements to the public through its website.
- A.3 CBSC shall submit to ICC its modifications to the 2007 CGBC. Within a reasonable time after the receipt thereof from CBSC, ICC shall furnish to CBSC a copy of the initial draft of the 2007 CGBC for review by CBSC.
- A.4 WITHIN a reasonable time after receipt of the initial draft of the 2007 CGBC from ICC, CBSC shall submit its revisions to the initial draft to ICC. Within a reasonable time after receipt of the CBSC's revisions to the initial draft, ICC shall make any further modifications and submit to CBSC a second draft.
- A.5 WITHIN a reasonable time after receipt of the second draft of the 2007 CGBC from ICC, CBSC shall submit its revisions to the second draft to ICC. Within a reasonable time after receipt of the CBSC's revisions to the second draft, ICC shall make any further modifications and submit to CBSC a final draft.
- A.6 ICC shall thereafter publish and make available for sale to the State of California, and to the general public, copies of the 2007 CGBC. If CBSC promptly delivers to ICC the submissions from CBSC as set forth in paragraphs A.4 through A.5 above, ICC shall ensure that the 2007 CGBC is available for sale within thirty-five (35) days of receipt from the CBSC of fully proofed and approved final text in either electronic format or camera ready copy.

A.7 TIME IS OF THE ESSENCE

- Because the Code may have significant effects on the State's built environment and its citizens, time is of the essence in performing the herein duties.
- The February 1, 2009 date to publish the Code is of critical importance. Publication is defined as the documents being printed and available for delivery.
- The CBSC and the ICC shall commit staff and resources to expedite their diligent work and cooperate toward the within Publication schedules and goals.
- Due to the variations of their size and complexity, it is impossible to herein establish schedules for Publication of any Supplements or errata. Therefore, when the CBSC submits any Supplements or errata to ICC, a Publication Schedule of milestone dates, including a Publication date, shall be included. That Publication Schedule, due to possible coordination with other contractors, is of critical importance. ICC shall notify the CBSC within 15 calendar days following receipt of the Publication Schedule if they, for valid reason(s) given, cannot meet the Schedule and include a proposed Schedule which they can meet. The CBSC must concur in the acceptance of any new Schedule. Without such notification, or concurrence with a new Publication Schedule, the CBSC shall expect the ICC to abide by the Schedule submitted.
- Neither ICC nor CBSC shall be held liable or responsible for any times or dates set out in this Publication Agreement ("PA") if such failure to meet that time or date comes about as a result of any strike, unauthorized work stoppage, civil unrest, legal requirement or impediment, storm, fire, flood or other act of god for which the ICC or the CBSC is not otherwise responsible.

A.8 FORMATTING, layout and other requirements not contained herein for publication of the Code will be set forth and/or confirmed in subsequent correspondence between the Parties. Said formatting, layout and other requirements include, but are not limited to, the following:

A.8.1 Code

- A "pre-assembled code" numbered consecutively, printed on 20lb., 84 or higher brightness, 8-1/2" by 11" white softcover format configuration – the same configuration as that used for the 2007 SBC.
- The black font shall be 10 pt. Times Roman with section numbers and headings in bold face.
- Volume covers shall conform to the design and colors selected by the CBSC and sized appropriately for the contents which shall be shrink wrapped to ensure completeness.
- ICC and CBSC will work out a schedule for completion of the manuscript to ensure publication and its availability on or before, February 1, 2009.

- The front of each volume shall contain the pages as per Attachments E, F, G, H.
- California language will be in italics.
- All chapters will begin on a right hand page.
- Running heads will read "2007 California Green Building Code".
- State-agency acronyms will be used throughout the code.
- The CBSC will supply cover specifications.
- ICC shall supply a postage-paid return card for each purchaser to apply for complementary automatic receipt of all supplements and errata sheets. ICC will maintain the mailing list, and print, mail and verify delivery of supplements and errata sheets.
- A card may be placed in the code advertising other ICC publications.

A.9 DISTRIBUTION

- ICC shall establish a distribution method in consultation with the CBSC.
- ICC shall distribute a minimum of two-hundred (200) complementary copies of the Code as per the Agreement Attachments B, C and D as per Paragraph 5 of the Agreement.
- ICC may wholesale the Code to other resellers in California.
- Within 30 days after the end of each calendar quarter, ICC will provide the CBSC with a report of the number of copies of the Code sold and the number shipped wholesale during that quarter, and the number of subscription postcards returned to ICC for that quarter and cumulative totals for the term of this within Agreement.

Preface

This document is the 11th of 12 Parts of the official compilation and publication of the adoptions, amendments and repeal of administrative regulations to *California Code of Regulations, Title 24*, also referred to as the *California Building Standards Code*. This Part is known as the *California Green Building Standards Code*.

The *California Building Standards Code* is published in its entirety every three years by order of the California legislature, with supplements published in intervening years. The California legislature delegated authority to various State agencies, boards, commissions and departments to create building regulations to implement the State's statutes. These building regulations or standards, have the same force of law, and take effect 180 days after their publication unless otherwise stipulated. *The California Building Standards Code* applies to occupancies in the State of California as annotated.

A city, county or city and county may establish more restrictive building standards reasonably necessary because of local climatic, geological or topographical conditions. Findings of the local condition(s) and the adopted local building standard(s) must be filed with the California Building Standards Commission to become effective and may not be effective sooner than the effective date of this edition of *California Building Standards Code*. Local building standards that were adopted and applicable to previous editions of the *California Building Standards Code* do not apply to this edition without appropriate adoption and the required filing.

Should you find publication (e.g., typographical) errors or inconsistencies in this code or wish to offer comments toward improving its format, please address your comments to:

The 2007 California Green Building Standards Code (Code), first adopted in July 2008, was developed through the outstanding collaborative efforts of the Department of Housing and Community Development, the Division of State Architect, the Office of the State Fire Marshal, the Office of Statewide Health Planning and Development, the California Energy Commission, and the Building Standards Commission (Commission).

This collaborative effort included the assistance of the Commission's Code Advisory Committees and many other volunteers that worked tirelessly to assist the Commission in the production of this Code.
