**Subject:** IMPORTANT: Access Codes on Web

Hello,

Just received a phone call from Suren at (818) 506-6671 and he tried to view the code (part 2.5) on the BSC web site and it came up with (screen print below) the ICC page and wanting Him to pay for the Premium Access in order to view the code.

He stated that in the State of California the code should be viewable without any cost. He would like a call back when this is resolved.

Let me know if you have any questions.

The screenshot shows a web browser window with the URL [premiumaccess.iccsafe.org/book/legend/446/](http://premiumaccess.iccsafe.org/book/legend/446/). The page header includes the ICC International Code Council logo and the text "ICC premiumACCESS". A navigation bar contains links for Home, About ICC, Contact Us, ICC Store, Help, and Login. Below the navigation bar, there are dropdown menus for "Select Collection" and "Select Year", followed by a "Go" button. The main content area displays "2013 California Residential Code, Title 24, Part 2.5" and a "LEGEND" section. A prominent "Enable Premium Feature" button is visible, indicating that the content is behind a paywall. The "LEGEND" section explains marginal markings: "Text in Red" for state amendments and "Text in Blue" for technical changes.

**Legend for Change indicators**

Text in Red indicates state changes or deletions.

Thank you,

**Pamela A. Maeda**
