Subject: Update- ICC Online Code

Please review the revised online code format, on the following ICC test site, and provide any suggestions or feedback at your earliest convenience.

Test Site home page: <http://testcodes.iccsafe.org>

I have already inquired about the following:

1. Please drop the word 'Part' down on 8 and 10 (otherwise the numbers are hanging on the next line);
2. Please place Part 9 before 11 on the bookshelf;
3. Can you clarify what the Errata binder (last code book) indicates? Is it a one stop source for all 2013 (Emergency) Supplements and Errata? If so, we'd like to clarify that in the text, which I can draft.
4. It appears that these versions are downloadable and may be saved. Is that correct or is it just because it's not live?

Thank you!
