Kevin,
Should we make the call to IAPMO in Katrina's office?

Understood, thanks Mike. If you will be in with Jim would it be okay if Cynthia and I use your office for the call, or maybe Katrina's?

Yes... additionally I will likely be in a meeting with Jim during that discussion but you and Cynthia can handle it and we can debrief after your call. The good part is that IAPMO is really good and we typically don't have any issues with their contracts.

Lastly, we can always follow up with them again after our debriefing if anything comes up we feel needs their attention.

Thanks,

Hi Mike,

I just wanted to touch base on this afternoon's call with IAPMO. Is it okay if you, Cynthia and I proceed with the call in Katrina's absence?
