Hi Mark,

I hope the holiday season finds you well. I just wanted to provide an update on the status of our publication contracts. We are working with the Department of General Services' Office of Business and Administrative Services (DGS-OBAS) and hope to have the final drafts for both ICC contracts ready in the next 2-3 weeks. We just wanted to give you a heads-up that an OBAS representative will be sending the contracts directly to you for review and signature during this timeframe. Just a reminder that, while the formatting will look slightly different, the content of the contract terms has been preserved. I could send you a draft version of the first contract to give you an idea of the formatting changes if that would help, just let me know.

Sincerely,
