Subject: NFPA Contract Inquiry

Mike,

I left a message for Ray and he called me back within just a few minutes. As I thought, he called you and Deb Rose reached out to me regarding the contract last week. He did not realize that Bill Mahoney already has everything he needs to work on the 2016 CEC or that we had alerted Deb (and their counsel) some time ago that we were 1) actively working on the contracts; and 2) that it was going to take longer due to the new DGS requirements.
