Sorry Kevin, I just saw your email...

Alma is busy working on the publications. And while she knows that the contracts are 'in progress' we haven't discussed status. And no, I haven't talked with Leticia.

Hi Cynthia,

Thanks so much for all your hard work on the emergency supplement and the publication contracts in my absence, and for keeping me in the loop on both:)

I received an email from Leticia Gallegos on Thursday requesting a status update on the IAPMO contract (see below). Have you already spoken with Leticia or Alma since last Thursday to let them know that OBAS is currently reviewing the new contract?
