Hi Katrina,

The 215s were returned from OFS this morning. OFS has directed that the 215s be routed through the OLS Intellectual Property Team. I will route them today simultaneous with routing the contract packages for IAPMO & ICC through OLS.

Hi Katrina,

I have not received the 215s back from OFS yet but I have an expedite request in. I expect them back today or tomorrow and once I have them, I can send the packages to OLS. I will let you know once they move to OLS.

Bruce,

We haven't heard from NFPA as of yet, but Cynthia is going to shoot them another email to inquire about their contract.

Can we proceed with the other 3 contracts for Legal review?

Bruce,

Please see the NFPA update that follows. As we're looking at another week of review let me know if you'd like to coordinate a call with Dennis/NFPA or... in an effort to expedite the process.

Cynthia,

As you may know we received the contract last week, I did not see it personally until Wednesday. Deb and I met and as a result of that conversation she has made changes to the agreement. I will be going over these changes and hope to have a finalized response to you by the end of the week.

Most of our changes will involve moving material that is actual process as opposed to contractual material from the contract itself to an addendum or exhibit.

Hi Dennis,

Do you have an update on the California 2016 contract? I see that Deb is out this week and our procurement folks are asking for an update.

Please let me know if you have any questions!

Thank you so much,

Cynthia
