Subject: CA-NEC contract 2016

Hi Cynthia,

So nice to talk with you again. Dennis said it was okay to move forward without BNi on the contract. Please note that he is saying that without having seen what has been done to the contract. Once the contract is received, Dennis will review it and if necessary, indicate changes he would like made.

We are both looking forward to working with you and the state of California once again.

Best regards
