Hi Cynthia,
Just checking in with you. You have not opened the CA-NEC secure email that I sent several weeks ago and I have not heard from you. Are you no longer in need of this information?
Please let me know the status.

Best regards,

Hi Cynthia,
Several weeks ago I sent you a PDF, Word file and a web link for the CA-NEC in secured email. I was notified that the files have not been accessed.
Please let me know when I should resend this material. ZixMail should have sent you instructions on how to open and access your files. If not, please let me know so I can make sure you are getting everything you need.
Thanks!
