Hi Leann,

ICC has returned contracts #3187607 and #3187605 with their edits. I don't have any concerns with the edits they have made and I need CSBC to review/approve the edits. Once I have your approval, I will finalize the agreements, prepare the 213 and 215 and we can get the agreements signed and forwarded to OLS for approval. Their current approval timeline is 10-15 business days so I would like to get this done this week to keep on track for a May 1 execution date. Thank you!

Good Morning Bruce,

Attached are the Contracts with ICC's changes indicated in track changes.

In addition, I have attached the following signed by Mark Johnson:

- Commercially Useful Function Evaluation Form
- CCC-307
- Payee Data Record

We did have a question on the bidder declaration. We will be sending the content out to be printed and also another party will make the binders. However, we do not know who either of those parties will be at this juncture.

Can you please advise as to how we should fill out that form?

Thank you and if you have any questions, feel free to contact me.
