Cynthia,

I spoke with Bill Mahoney on this and he tells me that there have been \$7,868 copies sold to date. It is of course still selling so that is not a final number, but a number to date.

I hope this helps get over the bureaucratic question that has been posed.

Best regards,

Dennis

Dennis,

Can you let us know how many copies of the 2013 CEC have been sold? It sounds like that is all we need to know in order to wrap up the contract.

Regards,

Cynthia
