Thank you Dave,

The three of us will discuss these soon. Secondly, no we have not received a schedule from your pubs department yet, however I have been in contact with Lisa for the cover art.

Subject: agreements

Hi Mia, Katrina, and Kevin,

I hope all is well. I am attaching the MOU from HCD and OPR. You can see that they are different in length based on the agency desires. The OPR agreement is similar to what I think we could use since the publication contract already has it covered. We can name it whatever you wish but, ultimately, it is just to memorialize the effort. If you agree, we can draft something as a starting point. Have you received the schedule from our pubs department yet?

Thanks
