Kevin:

Wednesday will work. Should I invite Mike, Jim and Cynthia on your end as well? Anyone else from CBSC need to be added? Once I get your confirmation, I will send an Outlook invite to all parties.

Thank you.

Let me correct that: times next week or the week after. Mark is traveling all of this week. Sorry about that. Can't think properly replying by iPhone.

Hi Kevin: I am out of the office this afternoon and tomorrow. I will be back in the office on Monday. However, I will be checking email periodically. If you have some times in mind for this week or next, I can get some times on the schedule if you don't want to wait until Monday.

Thank you!

Hi Casey,

Per Cynthia's email below I will be helping to process the publication agreement(s) between CBSC /General Services and ICC for the 2016 Edition of the California Building Standards Code. I was hoping to work with you on scheduling a teleconference to begin our dialogue with ICC. Could I call you sometime this afternoon or tomorrow to discuss possible dates/times?

Cynthia,

This is good news. I would love to get an early start on the agreement and get it nailed down. I look forward to working with Kevin and yourself. I am out this week on travels. Any time next week is good for a quick call to kick things off. Hope you and the CBSC staff had a great 4th.

Hi Mark,

Hope you had a fun 4th of July weekend!

We have started to look at the contract language for the 2016 California Codes. By way of introduction, I have copied Kevin Day who will be managing the contract process for CBSC this time around. You may remember meeting Kevin at some point. He was in this office in the past and recently returned. He is very knowledgeable and a pleasure to work with.

I will continue to be in the contract loop assisting Kevin as necessary and will remain the primary contact for the publication review process. Needless to say, Mike and Jim will be overseeing each step along the way.

Please let us know your preferred next steps in moving forward with the contracts. In the meantime, we are updating the many exhibit/attachment documents to the contracts. And we have already started dialog with Dianna Hallmark concerning the 2016 cover artwork.

Regards,
C
