Hi Bruce,

Thanks for touching base on this. The NCBs have been approved for this contract's Statement of Work document, as well as the other three we will be sending your way. We were hoping to get OBAS' feedback on the first SoW (with the ICC for Parts 2, 2.5, 9, and 10 of Title 24) before processing the SoW for the remaining three contracts (then formally submitting all 4 together).

Attached to this email is the approved NCB request form. I look forward to working with you on this project as well. In the meantime, please contact me with any questions and have a great weekend!

Subject: Building Standards Commission Publication Agreement

Hi Kevin,

I wanted to let you know that I was assigned this contract request and I'll be your primary contact on this going forward. I will be reviewing the draft SOW over the next couple of days and will contact you once I have completed the review. Can you tell me if the NCB request has been approved and if it has, would it be possible to send me a copy including all of the pages? Thank you and I look forward to working with you on this.
