Hi Leann,

Please let me know if you accept the changes NFPA proposed or if you would like to further discuss these changes.

I don't recommend that we agree to removing the sales reporting requirement from Exhibit B, Paragraph B.6. Removing it may create problems during the OLS review and approval process.

I will send Debra an email answering her question of why Exhibit A is labeled as an Exhibit. I don't believe she has seen our STD 213.

Subject: CA-NEC Contract

Greetings Bruce,

Dennis and I have reviewed the attached contract and made a few notes.

Specifically the referencing of the product in several ways. For example 2016 CEC, Title 24, Part 3, the Code. I believe they all mean the same thing, but if we could reference the product one way it would be helpful.

We removed a few paragraphs because it was unclear as to why they were in the contract.

Lastly we moved all of the production specifications and distributions to the back of the contract under Attachment C.

Our changes are suggestions only and hopefully open a conversation between CBSC and NFPA.

Please call or email me when you would like to talk about our suggestions.

Best regards,

Debra Rose
