Understood, I'll work with Cynthia on providing Leann with appropriate electronic versions of the publication agreements for IAPMO and NFPA from the last go-around and will continue to follow up.

Yes, but we will need to go through Leann for her to input the information "request" into ABMS for us.

Katrina, do we still need to send Laura Frost copies of the previous publication agreements with IAPMO and NFPA?

Hi Katrina,
I checked with OLS and they do require a complete contract (213 and exhibits) for this zero dollar procurement. Program will need to submit a CRF and scope to OBAS once the NCB is approved. We could start working on this now in confidence the NCB will be approved. Should I be working with Leann on that?

Thanks,
Laura

Laura,
Per our conversation, here are two of the four agreements.
Please review and let me know how to proceed.

Thanks,
Katrina

Hi Katrina,
I picked these up and walked them over to the person in PD that reviews and approves. Once they approve, we would be able to start working on issuing the contracts.
Let me know if you have additional questions or want to talk about the process.

Thanks,
Laura Frost

These are the final drafts that the two ICC executed agreements were based on. Note that they include mark-ups throughout, and that all of the exhibits require updating on our end.
