Subject: RE: Publishing Agreements

Leann's last email indicated that you were reviewing her drafts of the two ICC contracts, which I believe you completed and left on my chair. I'm currently reviewing your notes and hope to finish by COB today. Could the four of us plan on getting together tomorrow morning (hopefully before All Staff) to touch base?

Did Katrina forward our latest contract notes to you? She asked me to review the language and I gave her my copies late yesterday.
