PROJECT TITLE
IAPMO Part 3

PROGRAM
CBSC

(1) The functions contracted are exempted from civil service by Section 4 of Article VII of the California Constitution, which describes exempt appointments.
EXPLANATION:

(2) The contract is for a new state function and the Legislature has specifically mandated or authorized the performance of the work by independent contractors.
EXPLANATION:

(3) The services contracted are not available within civil service, cannot be performed satisfactorily by civil service employees, or are of such a highly specialized or technical nature that the necessary expert knowledge, experience, and ability are not available through the civil service system.

EXPLANATION:

We have discussed this process with DGS - Office of State Publishing, as they would be the only civil service office that may be able to perform this service and they have provided BSC with a Service Release Determination (waiver).

(4) The services are incidental to a contract for the purchase or lease of real or personal property. Contracts under this criterion, known as "service agreements," shall include, but not be limited to, agreements to service or maintain office equipment or computers that are leased or rented.

EXPLANATION:

(5) The legislative, administrative, or legal goals and purposes cannot be accomplished through the utilization of persons selected pursuant to the regular civil service system. Contracts are permissible under this criterion to protect against a conflict of interest or to insure independent and unbiased findings in cases where there is a clear need for a different, outside perspective. These contracts shall include, but not be limited to, obtaining expert witnesses in litigation.

EXPLANATION:

(6) The nature of the work is such that the Government Code standards for emergency appointments apply. These contracts shall conform with Article 8 (commencing with Section 19888) of Chapter 2.5 of Part 2.6.

EXPLANATION:

(7) State agencies need private counsel because a conflict of interest on the part of the Attorney General's office prevents it from representing the agency without compromising its position. These contracts shall require the written consent of the Attorney General, pursuant to Section 11040.

EXPLANATION:

(8) The contractor will provide equipment, materials, facilities, or support services that could not feasibly be provided by the state in the location where the services are to be performed.

EXPLANATION:

(9) The contractor will conduct training courses for which appropriately qualified civil service instructors are not available, provided that permanent instructor positions in academies or similar settings shall be filled through civil service appointment.

EXPLANATION:

(10) The services are of such an urgent, temporary, or occasional nature that the delay incumbent in their implementation under civil service would frustrate their very purpose.
