No worries on the subcontractor issue Casey. We have vendors that change subcontractors frequently and update their bidder dec forms. For now those blocks can be left blank and once the subcontracts have been executed you can send me updated bidder dec forms and I will update the files. Thanks! The next step, once CBSC has signed off on ICC's edits, is I will send you to contract face sheets (STD 213) and a final version of the agreement. This will be what Mr. Johnson signs. Thank you!

Good Morning Bruce,

Attached are the Contracts with ICC's changes indicated in track changes.

In addition, I have attached the following signed by Mark Johnson:

- Commercially Useful Function Evaluation Form
- CCC-307
- Payee Data Record

We did have a question on the bidder declaration. We will be sending the content out to be printed and also another party will make the binders. However, we do not know who either of those parties will be at this juncture.

Can you please advise as to how we should fill out that form?

Thank you and if you have any questions, feel free to contact me.
