Heather,

I should have asked earlier, if you are making edits to the contract document that I sent Tuesday, could you please use the track changes function in MS Word? Thank you!

Also, our legal department generally will not allow changes to the GTCs listed in Exhibit C. Those terms are based on Public Contract Code so there is not a lot of flexibility for us.

Bruce,

Monte and I are indeed eager to get an agreement finalized on your schedule.

I looked at the last agreement (attached for your reference), and noted that the format is rather different than what you sent to Russ earlier this week. Is there a reason the format has changed, or could we continue to use the previous format?

Thank you!

I suspect my general counsel, Monte Bogatz, will be able to get you the required info as I know that he and Heather Koffman, our associate general counsel, will be getting back to you today on some of the changes to the contract and our wanting to be sure we are able to comply with all of the provisions of this updated agreement.

Monty, Heather, could one of you get back to Bruce immediately so we don't hold him up for his intended deadline.

All the best!

Good morning Russ,

Is it possible for you to complete the STD204 form that is attached to this email and return it to me today. There is information I need on the form (you FEIN) to get some processes started here at the State. Waiting beyond today may put our May 1st deadline in jeopardy and we want to get the contract executed on that date.
