Just an update because I know Brent and Mia had an interest at one point in meeting the May 1st date.

The other 3 publication contracts (2 ICC and 1 IAPMO) are executed. We aren't going to meet May 1st on this one because of the "back and forth" between NFPA and CBSC (good thing I asked the below question). I will get it done once I have a dually signed agreement in hand but none of the holdup has been OBAS.

Hi Bruce,

We had a few more changes and sent it back to Katrina for updating.

Best regards,

Debra

Good morning Debra,

I wanted to check in and ask if you have any questions and if the signed agreement has been sent back to DGS? Thank you.

Hello Debra,

Agreement #3188107 is attached for signature. The agreement are for the 2016 California Building Standards Codes Part 3 for the Department of General Services, California Building Standards Commission.

Please print and sign four original, single-sided copies of the STD 213 (first page of the electronic files) and return these to me at the address listed below in my signature block via expedited mail. We would like to have the signed documents back no later than April 28, 2016 if possible. Once we receive the documents we will obtain the other signatures and approvals to get the agreement executed as quickly as possible.

Please let me know if you find any errors or discrepancies.

Thank you and have a great day!
