Subject: NCB's for publishing of the codes

Hi Katrina,

Per review from my manager, I wanted to let you know that we are waiting for the following information prior to moving forward with this NCBs:

1. Updated OSP waiver (the one in the file is from 2006)
2. Estimated contract value for all the NCB's. The one provided did not give us a contract value (excess of \$5,000 is not acceptable).

Please call me if you have any questions.

Thank You,
