**RE:** Freedom of Information Act Request #15-F-00684: Request a copy of ANSI/UL 325, Safety for Door, Drapery, Gate, Louver, and Window Operators and Systems, Sixth Edition and a copy of UL 325 Standard for Safety For Door, Drapery, Gate, Louver, and Window Operators Systems, Fifth Edition (2002)

Dear Mr. Malamud:

Thank you for your Freedom of Information Act (FOIA) request seeking information from the U.S. Consumer Product Safety Commission ("Commission").

Please be advised that the standards you requested constitute copyrighted material that the Commission is not at liberty to release to the public. The standards are available for purchase by contacting Underwriters Laboratories, Inc. (UL) and American National Standards Institutes (ANSI) respectively.

With respect to your request for "any communications that the Consumer Product Safety Commission has had with Underwriters' Laboratories discussing the making available to the public of the above-named standards or other standards produced by Underwriters Laboratories' as part of the NPRM currently underway for garage door openers...." Please be advised that a search of the Commission files failed to produce any responsive information regarding this request.

Processing this request, including searching files, cost the Commission \$50.00. In this instance we have waived all of the charges. This completes the processing of your request. Should you have any questions contact us by letter, telephone 301-504-7923, facsimile 301-504-0127 or by email addressed to [cpsc-foia@cpsc.gov](mailto:cpsc-foia@cpsc.gov).

Sincerely,

Alberta E. Mills
