Dear Ms. Cisneros –

Here's the form for the purchase of UL 181, the 1996 edition with revisions through May 15, 2003. How long do you think the approval process takes?

Best regards,

Carl

The requested historical UL Standards for Safety Standard has a restricted distribution. Before IHS can provide the historical UL Standards for Safety Standard, a signed Authorization Form must be completed. Authorization is available through IHS, please fill out this form and email to IHS at;
