No problem! Completed form attached!

I'm assuming where it says "signature", that means them, not me? Let me know if the form needs to be signed by me.

Hi

It is the same but a slightly different form. Not sure why but they will now only accept the request from this form

Thank you

Dear Ms. Cisneros -

Here's the form for the purchase of UL 181, the 1996 edition with revisions through May 15, 2003. How long do you think the approval process takes?

Best regards,

Carl
