Re: Freedom of Information Act (FOIA) Request #ES15-001704

Dear Mr. Malamud:

This responds to your April 1, 2015 FOIA request seeking a copy of ANSI/RESNA Standard WC/Vol. 1-1998, Section 13, "Wheelchairs: Determination of Coefficient of Friction of Test Surfaces" which is incorporated by reference in 49 CFR 571.5 and used in 49 CFR 571.403.

We have conducted a search based on the information you have provided. Because NHTSA adheres to U.S. copyright law in its dissemination practices, NHTSA is unable to disclose the document you seek. You must request a copy of the document directly from ANSI/RESNA.

Pursuant to the provisions of 49 C.F.R. Part 7, there is no charge for this response.

I am the person responsible for this decision. If you wish to appeal this decision, you may do so by writing to the Chief Counsel, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, West Building, W41-227, Washington, DC 20590, pursuant to 49 CFR § 7.32(d). An appeal must be submitted within 45 from the date of this determination. It should contain any information and argument upon which you rely. The decision of the Chief Counsel will be administratively final.

Very Truly Yours,

A handwritten signature in black ink, appearing to read "Andrew J. DiMarsico".

Andrew J. DiMarsico
Senior Attorney
