Dear Mr. Malamud:

This acknowledges receipt of and serves as a final response to your July 22, 2015, Freedom of Information Act (FOIA) request to the National Institute of Standards and Technology (NIST) in which you requested:

- NIST Management is required to determine the appropriateness of staff participation in standards bodies and to ensure that staff participation has a measurable and demonstrable impact and to annually assess OU/Division standards participation. I am requesting any records documenting such review and evaluation with respect to Ms. Saunders' participation or the participation of NIST more generally in ANSI or ASTM international.
- NIST 00 805.01 requires that all NIST employees "clear with DOC Ethics Division all invitations to serve on boards or policy making bodies of standards bodies approved for NIST membership." I am requesting any records concerning the participation of Ms. Saunders on both the boards of ANSI and ASTM International.
- NIST O 805.01 requires NIST Employees to "Record standards participation in the Standards Committee Participation database at <https://standards-i.nist.gov/scp/data/index.cf>." That URL is not valid and I am unable to find this database accessible on the NIST public web sites. I am requesting any records pertaining to Ms. Saunders participation as recorded in this database.

Your request was received at the FOIA Control Desk on August 6, 2015, and was assigned FOIA Log #2015-001703.

NIST has completed the actual search for responsive records and enclosed is one (1) document consisting of three (3) pages that is being released in its entirety.

It was determined that you are in the "all other requesters" category, for which chargeable services include search and duplication of responsive documents excluding the cost of the first 2 hours of search and the first 100 pages of duplication. The search and duplication costs were under the chargeable threshold thus the documents are being provided to you at no cost.

Janet W. Brumby, Management Analyst of my office, was the contact point for processing your request. If you have any questions regarding your completed FOIA request, she may be reached by email at foia@nist.gov or by phone (301) 975-3189.

Sincerely,

A handwritten signature in black ink, appearing to read "Cath S Fletcher". The signature is written in a cursive style with a large initial "C" and a stylized "S".
