Ladies and Gentlemen,

Below is an e-mail from Ryan Colker, Manager of Government Affairs in the ASHRAE Washington Office. ASHRAE is encouraging legislators to adopt ASHRAE Standard 161-2007 and intends on sending the attached letter early next week. Ryan would like to make the SSPC aware of their intentions and would like to know if their organizations are willing to support the adoption.

For further information or questions, please contact Ryan Colker (rcolker@ashrae.org).

Thanks,

Mark
