Re: Public Records Act Request  
Our Ref: 16-P-628

Dear Mr. Malamud:

The Department has received your Public Records Act requests dated December 21, 2016 and is currently searching its records for responsive documents.

Due to the need to search for and collect requested documents at a CAL FIRE facility not located at CAL FIRE Headquarters in Sacramento, California, I am extending the time to respond to your request until January 14, 2017.

California Government Code Section 6253(c)(1) authorizes an extension of the time required in which to respond to a PRA request due to "[t]he need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request."

CAL FIRE will make every effort to provide any responsive documents to you as quickly as possible. Thank you for your courtesy as we process your request.

Sincerely,

*Rebecca A. Gibson*
