Dear Mr. Malamud:

Thank you for your letter of July 22, 2013. The law reviews appreciate your good-faith agreement not to distribute any additional unredacted XHTML copies of *The Bluebook*, and your further redaction of your posted excerpt. With those further redactions, we do not object to your continued posting of that excerpt.

We understand that the six files that you have posted in the “developers” subdirectory are not files that you created, but are mirror copies of files created and made available by others. Accordingly, the law reviews reserve their rights with respect to these particular files as they consider the issues posed by all such works. With regard to those considerations, the law reviews welcome constructive input from concerned constituents, yourself included.

Thank you again for your cooperation.

Sincerely,

Peter M. Brody
