Dear Carl Malamud:

Thank you for your interest in public records of CA Department of General Services (DGS). Your request was submitted on 10/8/2024 and given the reference number R000413-100824 for tracking purposes.

Records Requested: Dear California Building Standards Commission:

Under the California Public Records Act (Government Code § 7920 et seq.) and Article I, § 3(b) of the California Constitution, I write to request a copy of the 2022 Title 24 of the California Code of Regulations, published July 1, 2022 and effective January 1, 2023.

The contents of Title 24 are public records under Government Code § 7920.530(a) (“Public records’ includes any writing containing information relating to the conduct of the public’s business prepared, owned, used, or retained by any state or local agency regardless of physical form or characteristics.”).

Please provide these records in structured, machine-readable digital formats, such as XML or PDF files. We prefer PDF files. Under Government Code § 7922.570(b)(1), you must provide these records in “any electronic format in which [you] hold[] the information.” Additionally, Government Code § 7922.570(b)(2) directs you to “provide a copy of an electronic record in the format requested if the requested format is one that has been used by [you] to create copies for [your] own use or for provision to other agencies.” Thus, you must provide copies of these records in all formats that you hold, use, or provide to other agencies.

If you determine that any material is exempt from disclosure, please specify the exemption within 10 days, as required by Government Code § 7922.535(a). If you believe that an exemption is discretionary, please state why you are withholding the information. If, for any reason, you refuse to disclose any part of these records, Government Code § 7922.535(a) requires you to explain why.

Please provide a determination on this request within 10 days, as required by Government Code § 7922.535(a).

If needed, please contact me at carl@media.org. Please notify me of any duplication costs exceeding \$100

before you duplicate the records so that I may decide which records I want copied.

Sincerely,
Carl Malamud
